perfect game to 'wake up' before study AND it will help improve your typing dexterity. dev also listens to your feedback :) which is rare these days. there are few modes; typing words, single letters, random letters, forward, backward and so forth. there are almost no other art asset except the words which is a good thing for the intended purposes. i think it deserves full price. great work dev! and i hope you delve deeper into game development :). If you are a camper in fps this is a game for you. Camp and kill as many zombie as you like. For maximum satisfaction use the thumper and sniper rifle.. Amazing game, amazing narrative. Would recommend.
P.S. Coda - GG. Awesome game. stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp stamp

The program is useful if you only use default generator parts and supported dlc parts. But when you import custom parts they don't catogorize properly, this is a nifty little program but with bugs like that it's hard to use. So until it's fixed a little better i wouldn't recommend this software. RUN. SHOOT. ENJOY !. It was a fun hour or so. Had like 3-4 really challanging one, but the rest was fun as well. At the $3 \vee 4$ of the game there were like 2-3 way too easy puzzles. And i didn't like that $i$ can stuck on some of the little edges on corners and at some connections. Otherwise good game :)

It's no Rocket League - but it's fun for a while. I like the concept an i hope for new management features!. 10/10 would kill the sheep again. good Add-on but the Framerate Drops when i drive it plz fix. Five stars to recommend this game
Advantages:
-realism, the lives experienced are so real that makes player think deeply;
-easy to access
-addctively, I played again and again to get a better life
Disadvantages:
-not finished, only the period bewteen age 3 to 12 are available in this version (looking forward updates)
-so realism, sometimes make player pessimistic
Three sentences as comments:

1. It is not a game, but the real life.
2.The world is not equal, first of all, the birth. No one can judge the family he was born.
3.After playing this game again and again, I found that although we know a lot about how to live a good life, but we can never live the life good enough.. Must play for people like me who respond well to audio-visual aesthetic, fantasy genre and experimental storytelling.

I don't think it was meant to be for the mainstream audience. So, not a whole lot of us might appreciate it.

Calling it a 'hipster game' is a cynical way to look at it, in my opinion.

You'll really enjoy the experience if you're receptive to the subtleties and the ethereal complimentary music.. It basically feels like a beta for an early Battlefield game. Not bad if you can snag it on sale. A good sale though.
